

Danny Yong

After going through chemotherapy for his cancer, everybody including himself would expect hairloss! With R2 and G3 daily, his hair dis not fall but turned black! At 65, he has more vitality and look even younger. He can even drive around town doing errands and eat whatever he wants! He doesn't even look like a cancer patient.

Colon Cancer Patient Still Energetic

In Healthcare Testimonials Cancer, Colon Cancer, Hair ageLOC R2, g3 Juice /

Mr Yong was diagnosed with colon cancer 4th stage, with cancer cells spreading to his lungs and liver. After taking ageLOC R2 & G3 juice for 6 months, his cancer marker went down!!
