"GLUTATHIONE (pronounced "gloota-thigh-own") is the most important molecule you need to stay healthy and prevent aging, cancer, heart disease, dementia and more, and necessary to treat everything from autism to Alzheimer's disease. I called it the mother of all antioxidants." Message me if you would like to give the Glutathione patch a try.

### Instructions for Use

Rotate through these point locations, using a Glutathione patch 5 to 7 days per week. You can use any of the point locations in this booklet for any Y-Age patch, but the preferred Glutathione locations are shown on the right.

When combining Y-Age products, use any 2 patches on any 2 of the Y-Age point locations in this booklet, applying the patches on either the midline or right side of the body.

Apply the patches to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product.
