Thanks, Ganoderma.

Thanks, Ganoderma Carers. I started very slowly on Ganoderma tea, coffee and toothpaste. I found all products helpful, tried restoring the capsules in small amounts after 3 weeks. I had noticeable results in my chronic lower back pain, hips, knees and painful bone disorder in my right foot, in particular. After 3 months of treatments, using the Toothpaste and lotion morning and night on joints back pain has disappeared, and knees almost better.
