These three products are fantastic for adult psoriasis and eczema ❤️ i find it great myself for my psoriasis which i suffered from since im was young.

It has the amazing Birkir's blend has been used and known about since 1999 ❤️ It has helped and improved the lives of thousands of people around the world already. Some of the stories, and things people have found it helps out with, include: psoriasis, eczema, dry scalp, itchy skin, sunburn, hip pain, avoiding stretch marks during pregnancy and many other skin diseases! It is a great massage product and amazing everyday body lotion 🙌

It is safe to use for any age.

Recipe:

1 Firewalker

1 Enhancer

1/2 bottle Perennial body lotion
