This testimonial is from a customer whose little girl had hives on top of eczema. We love that we are able to help people like this! Her mother used L'BRI Intense Moisture Crème and Aloe Vera Barbedness Jelly. She said, "Thanks again! These products are seriously magic! They are worth all the money in the world! Now whenever she starts getting little patches of eczema, I quickly put on the jelly and creme and wow! It's gone the next day!" What's your L'BRI story?
