Sooo excited to start trying this stuff!! 100% whole food supplement. Nutri-Aloe is a one-of-a-kind nutritional supplement for a lifetime of benefits. Our comprehensive juice drink contains a proprietary blend of aloe vera, acai berry, and other berry and plant extracts. It contains more than 70 trace minerals from a myriad of plant sources. Great for reflux issues, cold or illness, stomach issues, better sleep, more energy, IBS, PMS, an overall feeling if wellness and more! I myself am hoping to feel better and have more energy during these long winter month blues! Order yours at www.jessryan.lbri.com under Health and Wellness! (FYI Nutri-Aloe always has a \$6.75 shipping charge per bottle but you can now buy in packs of 3 or 6 to avoid multiple shipping costs!!)
