With pharmanex kidney pack,your kidney failure will be kidney function with God willing.Help those that need it...

Mr Lye is a **kidney disease** patient who has to go for dialysis 3 times a week. After taking g3 & R2, he no longer has swelling problem on his legs & can pass urine normally. Recently after starting on TRA, his doctor told him he doesn't need to go for balloon procedure for his heart, not only his swelling in left arm subsided, his **blood pressure also reduced from 180/100 to 135/95 !!!**

患有肾病的黎先生每星期洗肾3次。服用R2和g3后，已经没有脚肿问题。也能正常排尿了！最近他开始TRA后，左手也不再肿胀。医生也告诉他不必做心脏气球扩张术。血压也从**180/100**降到**135/95!!!**

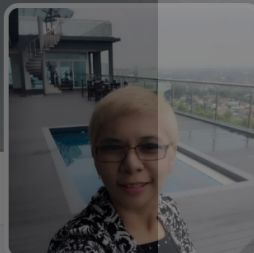

Medical report showed **Condition Improved.**
医药报告显示病情有进步
