Hi Kayla, my name is Mike Mora, I heard about your disease and I'm very interested that you have the next information:

In the past week there was a pre lunch in USA of a brand new natural supplements that are made from Olive, Romeo and Black Beams. These supplements are based on Nan bio-technologies that will be the next generation supplements that will cure a lot of diseases.

Right now in Mexico, where I live, they are having a great success in diseases as leukemia, diabetes, arthritis.

The name of the company is Sanki Global, and there are two products: Belage and Kronuit

You can find all the information at <http://sankiglobal.com/us/product-overview/>

If your parents, or your coach need more medical information, please let me know it I will send you by email.

These products are sale by a networking system and I can explain you how can you get it.

Good bless you and your family

Mike Mora
