Discounted prices and/or promo codes are valid till 11/27/2016. Standard terms and conditions resume upon expiration. Valid only on current stock. Promo codes may not be combined with other promo codes on a single item and can only be used once per registered account. However, **unless otherwise noted on the product page**, customers may purchase up to five (5) pieces of the same product at the promo code price as long as all pieces are purchased in the same order. Only one promo code will be applied per item per order, even if the item is eligible for other promo codes entered at time of purchase. Newegg.com is not responsible for any typographical errors in this newsletter.
