Julie Talford's (Fellow L'BRI sister) niece had a severe case of psoriasis. The doctors had told her that she would have to be on steroids the rest of her life. Julie sent the jelly and body butter to see if the products could somehow help improve the girl's condition in some small way. Her progress was slow but steady and after two months totally cleared it up and has helped to keep it clear. The girl is also using the shampoo and conditioner now since the psoriasis is right at the hair line. Thanks L'BRI many times over for such amazing products and thank you Julie, for sharing this amazing testimonial! 🙌👏🥰
