I don't know where to begin, but I want to tell you what This product has done for me. I was so in debt with medical bills. There were many times I would put off going to the doctor, because I couldn't afford the extra bills piling up. I had creditors calling and chasing me. I hated going to the mail box thinking it would be filled with bills I couldn't pay. It's been 2 years now, I don't have to visit the doctors or the ER. My health has taken a drastic change for the better. I feel so much younger, I can walk in my heals (been years) I have so much energy. I think so much clearer now. My doctor reduced all the medication, some I no longer need. The circulation in my arms & legs are so much better, I don't have the numbness anymore. I don't have sleep apnea anymore. I use to have headache everyday (sometimes all day). My skin disorder has cleared up, (I can wear open toe shoes). I can go on. I've notice in the past 2 years, So much have change in my health since I started using Gano Excel products. I want to thank you and Gano Excel for introducing me to these products.. Emily
