Testimonial on urinary tract infection (UTI), after wearing Nefful product for one and a half month, she no longer experience razor-cutting and burning sensation due to her UTI condition. Further on the product actually helped her to cut down on vaginal discharge as well as odor just in one and a half month.

Products used: girdle (1492), panties (TS04), cloth (AS001) and later on full set including bedding series (blanket & bedsheet), innerwear for night, innerwear for day/work as well as joint supporters, socks etc.

We do have weekly product 2-hr seminar in Chinese on Thursday and Saturday Alternate week product 2-hr seminar in English on Tuesday. The seminar will explain in further details on the product as well as testimonial sharing by users.
