Thank GOD my vertigo is gone... I can drive again (and dance continuously at parties, yeahhh!)...Thanks Eugene L. Banez for these wellness belage and kronuit sachets you gave.. Skeptical at first but after 10 days of taking it continuously, i felt a lot better.. Suddenly i just woke up the other day with the vertigo completely gone.. Can you tell me now where to get them, please before my supplies run out? (of course, i know i still have to watch my diet and visit my Thomas Acupuncture for better blood circulation etc.)

The Krono Wellness System

The Krono Wellness System, which is comprised of our two flagship products, BelAge and Kronuit, is the ultimate body regeneration system. Our patented products help your body to do what it was meant to do repair itself from the ravages of poor diet and environmental toxins.

The Ultimate Body Regeneration System

We know that our body is our most powerful tool to guarantee a long and healthy life. Our goal is to empower the body to do what is was created to do. Benefits of our products:

Helps slow the symptoms of aging process.

Help aid in the digestive process.

Promote healthy cellular regeneration.

Naturally increase energy.

Helps improve metabolism.

Improve circulation and decrease inflammation which allows the body to naturally slow the signs of aging.

Help support weight management by reducing the body's need to store fat and excess sugar.

Help restore homeostasis or balance so the body can heal itself. Improves intestinal transit of nutrients to the body.

Natural Ingredients

Sanki products are 100% natural, and contain ingredients that existed in the human diet over 1,000 years ago. This ensures that our products are bio-available, which means that the body recognizes the ingredients and is able to properly use them to improve our health.

Belage: Revitalize Your Cells

BelAge is the ultimate solution for promoting health at the cellular level. We are surrounded by toxins, which damage the cells of our body. We need antioxidants to detoxify and cleanse our cells and restore energy.

Detoxify at the Cellular Level

BelAge has highly effective nutrients that include a proprietary blend of specially grown olive leaf and rosemary, assembled with our patented process to ensure that it is bioavailable, meaning it can be absorbed and used at the cellular level.

Using the natural oils from the ingredients as a carrier, the nutrients penetrate the walls of the cells and feed the mitochondria, which are the cells' power producers. The mitochondria provide the energy a cell needs to move, divide and clean to allow the body to heal itself. BelAge is easy to take, tastes great and contains 14 quadrillion nanoparticles.

BelAge gives your body the power it needs to:

Remove toxins in your blood and your cells while improving circulation. Restore and improve digestion with powerful antioxidants.

Promote cellular regeneration.

Naturally increase energy.

Helps slow the symptoms of the aging process.
