RESIST Triple-Action Dark Spot Eraser 7% AHA Lotion

★★★★★

This highly specialized anti-aging product with glycolic acid works in three ways to improve the appearance of dark spots and brown skin discolorations, while refining and hydrating the surface of skin.

- Anti-Aging, Brown Spots
- For All Skin Types
- Contains hydroquinone, the gold standard for skin lightening
- Remarkably effective skin-lightening formula
- Sheer fluid lotion easily absorbs into skin
- Apply after cleansing, toning, and exfoliating, and follow with your serum and moisturizer
