

Live YOUR *Dream!*

The Mary & Martha Business Opportunity

WE ARE MARY & MARTHA

Mary & Martha are our founders. Over 2,000 years ago they began serving in their home. They learned through their experiences that having people in your home isn't about the act of entertaining, but it is the method by which we invite Guests into our homes to Love On Them. (In fact, the greatest Guest felt so welcomed in their home that He was entertained there many times.)

Fast-forward 2,000 years. We picked up on their story. We studied their story. We discovered the simple secret to their lives—Love God & Love Others—and we've seen our own homes transformed by their simple lessons. Meaningful Entertaining...Made Simple.

This is where you enter the story. We are inviting you to join us. See your home transformed. Let us show you how easy it can be. We have created products and tips to give you the confidence that you can have people in your home without it being perfect, complex or routine; so you can focus on the main thing—the guests that enter into your homes.

This is your invitation to join us. Come be a part of the story. See your own home transformed by *Meaningful Entertaining...Made Simple.*

What inspires me most in my business is motivating others to accomplish what they never dreamed possible. Financially, Mary & Martha has exponentially increased our family's ability to give and save. Mary & Martha provides me an opportunity to be a part of an amazing group of female entrepreneurs that all love the Lord. It's important to show my daughters that they can 'live in the &'—wife, mom, daughter, sister, friend, & entrepreneur!

Thanks to M&M we were able to take our 4 year old on her first trip to Disney World, I was able to go to NYC for my birthday! I love to travel and this awesome company has checked several places off my bucket list, including Jamaica and Cabo, love the Incentives you can earn by just doing your job. More than anything I love the people I meet and the connections made because of The Word of God & our products.

A knock at the door.

The smell of bread. The sound of laughter.

Cleaning up. Cutting up. Catching up.

Coffee and Cookies. Friends.

Family. Neighbors.

Welcoming. Saying hello. Feeling at home.

A shoulder to cry on. An ear to listen.

A good joke well told.

Making messes in the kitchen
and cleaning up later.

Game night and garden parties.

These are the moments
that make our homes feel like home.

They are the everyday opportunities
to demonstrate love.

These are our moments.
