**ORDER PRELIMINARILY APPROVING CLASS SETTLEMENT, APPROVING
CLASS NOTICE, AND SCHEDULING FAIRNESS HEARING**

The Court has considered Plaintiff's Motion for Preliminary Approval of Class Settlement pursuant to Mo. R. Civ. P. 52.08. Upon review of the Motion and the Settlement Agreement and its attachments, and after consideration of the Parties' submissions and the arguments at the hearing on this matter, if any, for good cause shown, the Court preliminarily finds that the terms of the settlement are fair, adequate, and reasonable. The Court further finds that the notice provisions provided for by the Settlement Agreement are adequate and appropriate to inform members of the class of the terms of the settlement.

THEREFORE, IT IS HEREBY ORDERED THAT:

1. The Court does hereby preliminarily approve the Settlement Agreement¹ and the settlement set forth therein (the "Settlement"), subject to further consideration at the Final Approval Hearing described below.

2. A hearing (the "Final Approval Hearing") shall be held before this Court on March 28, 2018 at 8:00 a.m./p.m. to determine whether the proposed settlement

¹ The Court, for purposes of this Order, adopts the definitions of capitalized terms set forth in the Settlement Agreement.

of the Action on the terms and conditions provided for in the Settlement Agreement is fair, adequate, and reasonable to the Class and should be approved by the Court, and whether a Final Approval Order and Judgment should be entered therein.

3. Plaintiffs Sherhonda Golden and Denise Valencia, as well as Randall Robello and Melissa Claybaugh, are preliminarily appointed as representatives of the Settlement Class (“Class Representatives”), and the following attorneys for Plaintiff are preliminarily appointed as counsel for the Settlement Class (“Class Counsel”): David L. Steelman and Stephen F. Gaunt of Steelman, Gaunt & Horsefield, and Scott A. Kamber, and Michael Aschenbrener of KamberLaw LLC. This Court is familiar with Class Counsel and has found them to be experienced, thoughtful, and effective advocates in class actions who adequately, faithfully, and zealously represent the classes they represent.

4. For purposes of determining whether the terms of the Settlement should be finally approved as fair, adequate, and reasonable, the following Settlement Class is conditionally certified for settlement purposes only:

All persons in the United States of America between June 6, 2013 and the date of Preliminary Approval who purchased one or more products at a discount off of the stated “original” or “regular” price, and who have not received a refund or credit for their purchases. Excluded from the Class are: (a) federal, state, and/or local governments, including, but not limited to, their departments, agencies, divisions, bureaus, boards, sections, groups, counsels, and/or subdivisions; (b) any entity in which Defendant has a controlling interest, to include but not limited to, its legal representatives, heirs, and successors; (c) all persons who are presently in bankruptcy proceedings or who obtained a bankruptcy discharge in the last three years; and (d) any judicial officer in the lawsuit and/or persons within the third degree of consanguinity to such judge.

5. Should the Settlement not become final, Wish.com may still oppose class certification and the fact the Court ordered class certification as part of the Settlement, or that Wish.com was willing to stipulate to class certification as part of the Settlement, shall have no

bearing on, and shall not be admissible in connection with, the issue of whether a class should be certified in this Action or in any other proceeding.

6. The Court designates Kurtzman Carson Consultants (“KCC”) as the Settlement Administrator and instructs KCC to perform the following functions, as set forth in the Settlement Agreement:

- a. Process requests for exclusion from the Settlement in accordance with Section IX of the Settlement Agreement;
- b. Process objections to the Settlement in accordance with Section IX of the Settlement Agreement;
- c. Process Claim Forms in accordance with Section V of the Settlement Agreement;
- d. Before disseminating the Direct Email Notice, establish the Settlement Website, which Settlement Class Members can visit to read and obtain additional information regarding the Settlement, including submission of claims; and
- e. Set up and operate a toll-free automated interactive voice response system through which Settlement Class Members can access Settlement information.

7. The Court approves, as to form and content, the Direct Email Notice and the Settlement Notice attached as Exhibit B to the Settlement Agreement, and finds that the distribution of the Direct Email Notice and Settlement Notice substantially in accordance with Section VIII of the Settlement Agreement meet the requirements of Mo. R. Civ. P. 52.08(b)(3), 52.08(c)(2) and due process, and is the best notice practicable under the circumstances and shall constitute due and sufficient notice to all persons entitled thereto.

8. Within twenty-five (25) days of the date of entry of this Order, the Settlement Administrator shall disseminate the Settlement Notice by setting up the Settlement Website on the Internet and posting the Settlement Notice (the “Notice Date”). Within twenty-five (25) days

of the date of entry of this Order, the Settlement Administrator shall complete dissemination of the Direct Email Notice.

9. The Settlement Administrator shall prepare a declaration attesting to compliance with the Direct Email Notice and Settlement Notice requirements. Such declaration shall be provided to Defendant's Counsel and Class Counsel and filed with the Court not less than fourteen (14) days prior to the Final Approval Hearing.

10. The Court approves the Claim Form in form and content as Exhibit A to the Settlement Agreement.

11. The deadline to submit valid claims shall May 1, 2018 (the "Claims Deadline"). To be timely, all Claims must be submitted by the Claims Deadline in accordance with Section VI of the Settlement Agreement.

12. Any Settlement Class Member who intends to object to the Settlement must do so on or before March 2, 2018 (the "Objection Deadline"). In order to be valid, objections must be received on or before March 2, 2018. Objections postmarked on March 2, 2018, but not received until a later date will not be valid. In order to object, the Settlement Class Member must file with the Court prior to the Objection Deadline, and provide a copy to Class Counsel, Defendant's Counsel, the Claims Administrator, and the Court, also prior to the Objection Deadline, a document that includes:

- a. The case name and number, *Golden v. ContextLogic Inc. d/b/a Wish.com*, Case No. 17PH-CV01741 (Phelps Circuit Court, MO);
- b. The name, address, telephone number, and if available, the email address of the Person objection;
- c. The name and address of the lawyer(s), if any, who is representing the Person objection in making the Objection or who may be entitled to compensation in connection with the Objection;

- d. A detailed statement of Objection(s), including the grounds for those Objection(s);
- e. Copies of any papers, briefs, or other documents upon which the Objection is based;
- f. A statement of whether the Person objecting intends to appear at the Final Approval Hearing, either with or without counsel;
- g. The identity of all counsel (if any) who will appear on behalf of the Person objecting at the Final Approval Hearing and all Persons (if any) who will be called to testify in support of the Objection;
- h. A statement of his/her membership in the Settlement Class, including all information required by the Claim Form;
- i. The signature of the Person objecting, in addition to the signature of any attorney representing the Person objecting in connection with the Objection; and
- j. A detailed list of any other objection by the Settlement Class Member, or his/her counsel, to any class actions submitted in any court in the United States in the previous five (5) years. If the Settlement Class Member or his/her counsel has not objected to any other class action settlement in any court in the United States in the previous five (5) years, he/she shall affirmatively state so in the written materials provided in connection with the Objection to this Settlement. This information is requested in order to assist the Court in determining whether the Objection is made by a professional objector seeking financial consideration for their efforts. Failing to provide this information will not affect the validity of the Objection but may result in the Court presuming that the Objection is made by a professional objector.

13. Any Settlement Class Member who fails to file and serve timely: (a) a written objection containing all of the information listed in items (a) through (j) of the previous paragraph; and, (b) notice of his/her intent to appear at the Final Approval Hearing pursuant to this paragraph, shall not be permitted to object to the Settlement and shall be foreclosed from seeking any review of the Settlement or the terms of the Settlement Agreement by any means, including but not limited to an appeal.

14. Any Settlement Class member may request to be excluded (or “opt out”) from the Settlement Class. A Settlement Class Member who wishes to opt out of the Settlement Class must do so on or before March 2, 2018 (the “Opt-Out Deadline”). In order to opt out, a Settlement Class Member must complete and mail to the Settlement Administrator a “Request for Exclusion” that is received no later than the Opt-Out Deadline. Requests for Exclusion that are postmarked on March 2, 2018 but not received until after the Opt-Out Deadline will be considered invalid and of no effect, and the Person who untimely submits a Request for Exclusion will remain a Settlement Class Member and will be bound by any Orders entered by the Court, including the Final Approval Order and the Releases contemplated thereby.

15. Except for those Persons who have properly and timely submitted Requests for Exclusion, all Settlement Class Members will be bound by the Settlement Agreement and the Final Approval Order, including the Releases, regardless of whether they file a Claim or receive any monetary relief. Any Person who timely and properly submits a Request for Exclusion shall not: (a) be bound by any orders or the Final Approval Order nor by the Releases contained therein; (b) be entitled to any relief under the Settlement Agreement; (c) gain any rights by virtue of the Settlement Agreement; or (d) be entitled to object to any aspect of the Settlement Agreement. Each Person requesting exclusion from the Settlement Class must personally sign his or her own individual Request for Exclusion. No Person may opt out of the Settlement Agreement any other Person, or be opted out by any other Person, and no Person shall be deemed opted out of the Settlement Class through any purported “mass” or “class” opt-outs.

16. The Settlement Administrator shall provide Class Counsel and Defendant’s Counsel with a final list of any timely Requests for Exclusion received by the Settlement Administrator no later than fourteen (14) days before the Final Approval Hearing.

17. No later than fourteen (14) days before the Final Approval Hearing, the Settlement Administrator shall prepare and deliver to Class Counsel, who shall file with the Court, and Defendant's Counsel, a report stating the total number of Persons who have submitted timely and valid Requests for Exclusion from the Settlement Class and Objections to the Settlement, and the names of such Persons.

18. No later than seven (7) days before the Final Approval Hearing, Class Counsel shall submit papers in support of final approval of the certification of the Settlement Class, the designation of Plaintiffs as the representatives of the Settlement Class, the appointment of Class Counsel as counsel for the Settlement Class, and the Settlement; Class Counsel's Application for attorneys' fees and expenses; and any responses to any Objections.

19. Neither the Settlement Agreement, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be construed as an admission or concession by the Class Representatives or Wish.com of any fact or allegation, or of any liability, fault, or wrongdoing of any kind.

20. The Court reserves the right to adjourn or continue the date of the Final Approval Hearing without further notice to the members of the Class, and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement. The Court may approve the Settlement, with such modifications as may be agreed to by the Parties, if appropriate without further notice to the Class.

IT IS SO ORDERED.
