**alexmortonmindset** ♦ This event has been over 10 years in the making. Becoming a full time entrepreneur in 2011 I quickly made the decision that once I achieved a certain level of success I would spend the rest of my life educating as many people as possible on the science of winning and achievement and the art of living a purposeful, impactful life.

impactful life.

◆ BREAK THE CODE event will be an accumulation of over 12 years, \$2,000,000,000+ in sales, speaking in over 75 countries, guiding 1000+ individuals to financial abundance, & being the direct descendant of the most valuable wisdom on earth. Andrew Carnegie, Napoleon Hill, Earl Nightingale, & Bob Proctor led the way and now I will do my part to

way and now I will do my part to keep this legacy alive and well.

◆ Frankly speaking, this event was going to be Bob Proctor and myself, together. However, he no longer will be able to attend physically but he will most definitely be there spiritually with all of us. After Bob passed, I made the decision to do the event anyway and invite some of my current mentors and friends

the event anyway and invite some of my current mentors and friends.

◆ This event will be transformational and unlike any event, seminar, or convention you've experienced. We have experts speaking on peak performance, real estate, health and bio hacking, personal branding and marketing, the science of wealth creation, sales mastery, momentum creating. emotional intelligence.
