drae\_carter Good morning y'all 🌞

I don't even recognize myself...

Getting up at 5am? A day trader??

I honestly didn't think 🤔 I was smart enough.

I thought you had to be some kind of genius to be successful with it.

But here I am... up before the sun and taking my own trades.

Why?

Because I'm HUNGRY FOR BIG CHANGE!!

CHANGE!!

As much as I love our business and nwm... I love trading even more! 💙

With trading... I rely on only myself and I don't have to worry

If I don't wake up and get in the markets... that's on me!

There's no product to sell... no team to manage... and I get to choose when I want to trade.

And compounding your money is where it's at \$

My goal is to increase my trading account by 3% every day...

...and I increased it by 5.5% 🍷

yesterday I increased it by 5.5% 🤖

You can turn a \$1000 trading  
account into hundreds of thousands  
of dollars in a short amount of time if  
you are consistent, disciplined and  
take time to master the skill.

So... getting up at 5am isn't so bad  
when you have BIG GOALS!!! 🏆

And as it turns out... you don't need  
to be a genius to learn how to trade.  
You just have to learn to have  
DISCIPLINE!!
