RECITALS

WHEREAS, the issues underlying the Action have been the subject of extensive discovery over a period of more than four years between the Autobahn Defendants and various Named Plaintiffs in the related cases of *Maskay, Inc. v. Autobahn, Inc.*, San Mateo Superior Court Action No. 525559 (the “First Related Case”), and *Autobahn, Inc. v. Mas.Kay Corporation*, San Mateo Superior Court Action No. 535413 (the “Second Related Case”);

WHEREAS, on or about September 24, 2015, certain Named Plaintiffs filed a putative class action lawsuit styled *Steve Ferrari et al. v. Autobahn, Inc., et al.*, Case No. 4:15-cv-04379-YGR in the United States District Court for the Northern District of California, seeking recovery under the federal civil RICO statute and various state law theories (the “Original Action”);

WHEREAS, on or about December 12, 2016, the United States District Court for the Northern District of California dismissed the federal claims in the Original Action with prejudice and dismissed the state claims without prejudice;

WHEREAS, on or about December 20, 2016 a putative class action lawsuit styled *Steve Ferrari et al. v. Autobahn, Inc., et al.*, Case No. 16CIV02954, was filed in the Superior Court for the County of San Mateo, California (“*Ferrari*” or the “Action”), asserting state claims based upon the same operative facts alleged in the Original Action;

WHEREAS the Action was removed to the United States District Court for the Northern District of California (the “Court”) and designated Case No. 4:17-cv-0018-YGR;

WHEREAS Plaintiffs have asserted causes of action against the Autobahn Defendants based on alleged state common law and statutory violations, including breach of contract, violation of California Civil Code Section 1770, violation of California Business & Professions Code Sections 17200 and 17500, trespass to chattel, negligence, unjust enrichment, fraud, and negligent misrepresentation arising from the alleged sale of non-genuine parts and/or fluids in connection

with the servicing of automobiles and/or reconditioning of automobiles to be sold as Certified Pre-Owned (“CPO”) automobiles (collectively “Plaintiffs’ Claims”);

WHEREAS, the First Related Case was tried to a jury in state court in September 2017, and the Second Related Case was set for trial beginning in February 2018, but was stayed to allow for settlement negotiations;

WHEREAS, Named Plaintiffs and the Autobahn Defendants engaged in extensive arm’s length negotiations during the period November 2017 through March 2018, with the assistance and supervision of mediator and retired Judge, Raul Ramirez, whose long and unique judicial experience includes service as a judge in both state and federal courts in California;

WHEREAS, with the assistance of Judge Ramirez, the negotiations of the Action were kept separate from the successful negotiations to resolve the related cases;

WHEREAS, without admitting liability, in resolving the related cases, Autobahn agreed to dismiss its appeal in the First Related Case and pay the judgment and approved costs; and the parties in the Second Related Case agreed to resolve the matter with no money changing hands;

WHEREAS, the terms upon which the parties have agreed to resolve the Action are not contingent upon any terms of the settlement of the related cases;

WHEREAS, the Autobahn Defendants deny that they have engaged in any wrongdoing, do not admit or concede any actual or potential fault, wrongdoing, or liability in connection with any facts or claims alleged in the Action, and deny that they have any liability whatsoever, but have agreed to this Settlement Agreement because of the substantial expense of litigating this matter, the length of time necessary to resolve the issues presented, the inconvenience involved, and the disruption to their business operations;

WHEREAS, after conducting years of discovery, included in the related cases, from the Autobahn Defendants, Mercedes-Benz USA, and third parties that enabled them to fully

investigate the facts, and after carefully considering the applicable law and the rulings of the Court in the Action, Plaintiffs' Counsel, the Class Representative Plaintiffs, and the other Named Plaintiffs have concluded that it would be in the best interests of all Plaintiffs, including the absent class members, to enter into this Settlement Agreement in order to avoid the uncertainties of complex litigation, and to assure meaningful benefits in the near term to Settlement Class members in a case originally filed in September 2015 without the further delay that would be inevitable if the litigation were to continue;

WHEREAS, Plaintiffs' Counsel are aware that the Autobahn Defendants have defenses to Plaintiffs' allegations and causes of action, and to class certification, upon which the Autobahn Defendants might prevail if the litigation were to continue;

WHEREAS, based upon their analysis and evaluation of a number of factors, Plaintiffs' Counsel recognize the substantial risks of continued litigation and delays, including the likelihood that the Plaintiffs' Claims, if not settled now, might not result in any recovery whatsoever for the Settlement Class;

WHEREAS, Plaintiffs' Counsel, the Class Representative Plaintiffs, and the other named Plaintiffs have concluded that the Settlement Agreement achieves a fair, reasonable, and adequate resolution of the Action on a class-wide basis;

WHEREAS, subject to the approval of the Court and the entry of a Preliminary Approval Order, the parties wish to terminate all disputes between them and effect a compromise as set forth in this Settlement Agreement (the "Settlement Agreement" or "Settlement");

WHEREAS the Parties hereto agree that this Settlement Agreement shall not be deemed or construed to be an admission of evidence of any violation (or any defense thereto) of any federal or state statute, rule or regulation, or principle of common law or equity, or of any liability or wrongdoing whatever (and any defense thereto), or of the truth or falsity of any of the claims

asserted, or that might be asserted in the Action, or of the infirmity of any of the claims or defenses that have been raised or could have been raised by the parties;

NOW THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among the undersigned parties that Plaintiffs' Claims shall be settled, compromised, satisfied, and released, subject to the approval of the Court, upon and subject to the following terms and conditions:

THE SETTLEMENT CLASS AND ADMINISTRATION

1. Within five (5) days of the execution of this Settlement Agreement, Plaintiffs' Counsel shall file a motion for leave to file a Fourth Amended Complaint. The Fourth Amended Complaint shall re-assert the claims of Harold Fethe as Class Representative for claims of CPO purchasers that were previously asserted in the earlier versions of the complaint in the Action, and shall remove the claims of the individual non-class representative Plaintiffs who have settled their individual claims.

2. The Settlement Class presumptively consists of all consumers in the following groups. Those who, after receiving notice, timely and properly exclude themselves from the Settlement in accordance with Paragraph 12 shall be excluded from the Settlement Class:

All consumers who during the Class Period received service from Autobahn, together with all consumers who purchased a CPO automobile from Autobahn during the period January 1, 2007 through December 31, 2012.

The "Class Period" is January 1, 2005 through February 28, 2018.

3. The Settlement Class shall have the following sub-classes. A class member may fall under more than one subclass. For the purposes of sub-Classes 1A and 1B and sub-Classes 3A and 3B, the date of the last pertinent transaction distinguishes membership in the "A" subclasses from membership in the "B" sub-classes.

a. Class 1A:

All Settlement Class members who last serviced automobiles at Autobahn on or after January 1, 2011.

b. Class 1B:

All Settlement Class members who last serviced their automobiles at Autobahn during the period January 1, 2005 through December 31, 2010.

c. Class 2:

All Settlement Class members who purchased a fluid known as zMAX from Autobahn in conjunction with service at Autobahn during the Class Period according to Autobahn's records, together with all Settlement Class members who purchased from Autobahn a CPO automobile on or after January 1, 2007, into which zMAX may have been added during the reconditioning process.

d. Class 3A:

All Settlement Class members who last purchased a CPO automobile from Autobahn during the period January 1, 2011 through December 31, 2012.

e. Class 3B:

All Settlement Class members who last purchased a CPO automobile from Autobahn during the period January 1, 2007 through December 31, 2010.

4. The parties have agreed that the Settlement shall be administered by Dahl Administration or other mutually agreed independent third-party settlement administrator ("Settlement Administrator"). The Settlement Administrator shall be an independent contractor, and not the agent of any party nor the agent of counsel for any party. The Autobahn Defendants shall pay all fees and expenses charged by the Settlement Administrator to administer this Settlement, which shall not exceed One Hundred Thousand Dollars (\$100,000). In the event that the Settlement Administrator does not agree to cap the administration fees as set forth in the foregoing sentence, the Autobahn Defendants shall have the right to nullify this Agreement or modify the Agreement to reflect the cap on such costs. Under no circumstances shall the Autobahn

Defendants be required under this Settlement Agreement to incur or pay any fees or expenses that the Autobahn Defendants are not explicitly obligated to incur or pay under this Settlement Agreement.

5. In the event the Court disapproves or sets aside this Settlement Agreement or any material part hereof for any reason, or holds that it will not enter or give effect to the Final Judgment and Order, or holds that the Final Judgment and Order should be modified in any material way, then (a) the parties may jointly agree to accept the Settlement Agreement as judicially modified; or (b) if all parties do not jointly agree to accept the Settlement Agreement as judicially modified, any party may appeal such ruling. However, attorneys' fees, costs, and incentive awards to the Class Representative and other named Plaintiffs are within the sole discretion of the Court and are not material terms to this Settlement Agreement. The parties agree that the provisions of Paragraphs 20 and 22 are severable from the remainder of the Settlement Agreement. If the Court modifies or strikes these paragraphs, it shall in no way affect the validity or enforceability of the remainder of this Settlement Agreement.

6. The Settlement Administrator shall be responsible for the tasks set forth in this Agreement, including but not limited to the following:

- a. Attorney General Notice. Mail notice of this Settlement Agreement to the affected state attorneys general and the United States Attorney General in accordance with the Class Action Fairness Act, within ten (10) days of the date on which this Settlement Agreement is filed with the Court.
- b. Update Class List. Access the National Change of Address Database and update the Class List within five (5) business days of receipt of the list.

- e. Class Member Communications. Establish a toll-free number and respond as necessary to inquiries from Settlement Class members.

In addition, the Settlement Administrator shall prepare and provide to the Court and counsel for the parties a list of all persons who timely and properly request exclusion from the Settlement Class and any necessary declaration of the Settlement Administrator concerning such list.
- g. Distribution of Vouchers and Claim forms and Claim Review. Distribute vouchers to Class 1A/1B and 3A/3B members, claim forms to Class 2 members, review and approve claim forms and issue vouchers for approved claim forms, and process and issue checks for redeemed vouchers as set forth herein. Provide weekly updates to counsel for the parties regarding the number and amount of vouchers issued, claim forms issued, vouchers redeemed, and claim forms submitted.
- h. Monthly Reporting. The Settlement Administrator shall provide monthly reports to Counsel for the parties regarding the amount and nature of fees and costs incurred and the anticipated future fees and costs to complete the administration of the settlement.

- i. Distribution of residual funds to cy pres. The Settlement Administrator shall be responsible for determining the amount of uncashed checks at the point when all outstanding issued checks have expired and distributing that amount to the cy pres.
- j. Disestablishment of website. The Settlement Administrator shall disestablish the settlement website no later than 180 days after the Effective Date.
- k. Maintenance of Class List and other Settlement Records. For a period of five years, the Settlement Administrator shall maintain the Class List and other settlement records (including records pertaining to issuance of vouchers, claim forms, and checks) and provide any necessary declaration to resolve any future disputes with a Plaintiff, putative class member, or counsel for the same.
- l. Coordinating Calls. The Settlement Administrator shall participate in regular coordinating calls with counsel for the parties as requested.

The deadline for objecting to, or opting out of, the Settlement shall be printed on the Short Form Class Notice. The Settlement Administrator shall provide to counsel for the parties the names of the Settlement Class members together with the email address or physical addresses to which the Settlement Administrator mailed the Short Form Class Notice, which shall be used by counsel for the parties only for purposes of effectuating this Settlement and not for any other purpose. Settlement Class members who do not timely opt out of the Settlement Class or who fail to properly opt out of the Settlement Class remain members of

the Settlement Class and may receive any of the benefits of the Settlement Class, and shall be bound by any order(s) of the Court regarding the Settlement Class. The Settlement Administrator shall provide copies of any opt-out notices to Plaintiffs' Counsel and the Autobahn Defendants' Counsel within five (5) business days of receipt. Notwithstanding any other provision of this Settlement Agreement, the Autobahn Defendants shall retain the right, in the exercise of their sole discretion, to nullify the Settlement Agreement within fourteen (14) calendar days of receipt by its counsel of all opt-out notices should the number of such opt-outs equal or exceed 1% of the number of Settlement Class members who do not opt-out, or in the event that any plaintiff named in the Third Amended Complaint in the Action, including any Class Representative, fails to execute this Agreement, objects to this Agreement, or attempts to opt-out of this Agreement.

FINAL FAIRNESS HEARING AND FINAL JUDGMENT AND ORDER

13. The parties agree to petition the Court to hold a Final Fairness Hearing and to enter an order agreed to by the parties finally approving the Settlement ("Final Judgment and Order").

- b. Find that the form and manner of notice implemented pursuant to this Settlement Agreement (i) constitutes reasonable notice and the best practicable notice under the circumstances; (ii) constitutes notice that is reasonably calculated, under the circumstances, to apprise the class members of the pendency of Plaintiffs' Claims, the terms of the proposed Settlement, the right to object to or exclude themselves from the proposed Settlement, and the right to appear at the Final Fairness Hearing; (iii) constitutes due, adequate, and sufficient notice to all persons entitled to receive notice; and (iv) meets the requirements of due process, the applicable rules of civil procedure, and any other applicable state and/or federal laws;

- g. Retain jurisdiction of all matters relating to the interpretation, administration, implementation, and enforcement of this Settlement Agreement.

15. This Settlement Agreement shall become effective and be deemed final only after the expiration of seven (7) days after the Final Judgment and Order is rendered and not subject to any appeal, attempt to re-open the judgment, or request to extend the time to seek an appeal, or, if an appeal has been sought, the expiration of seven (7) days after the final disposition of any such appeal and any further proceedings in the trial court (and, following any such proceedings, the expiration of all time to notice an appeal or, if an appeal has been sought, the expiration of seven (7) days after the final disposition of any such appeal), which disposition approves the Court's Final Judgment and Order (the "Effective Date"). 27. Checks. The Settlement Administrator shall receive all vouchers redeemed for cash and report weekly to the parties the total number of vouchers redeemed for cash and the total redemption amount. Within five (5) business days of the deadline for all issued vouchers to be redeemed for all classes, the Settlement Administrator shall report such fact to counsel for the parties together with the total number of redeemed vouchers and the total dollar amount of redeemed vouchers (the “Total Redemption Amount”). If at the time of re-mailing a check to a Settlement Class member, the check will be void in less than seventy (70) days, the check shall be voided and a new check issued and mailed to the Settlement Class member with a current date. Within 90 days after the expiration of all outstanding issued checks, Class Counsel shall apply to the Court for an Order directing that the funds associated with any undelivered checks, returned checks, and non-negotiated checks shall be paid by the Settlement Administrator to a mutually agreed charitable organization to be agreed by the parties and approved by the Court. The Order shall make clear that under the terms of the Agreement, Settlement Class members have waived and abandoned any ownership interest in such undeliverable, returned, uncashed, unclaimed, non-negotiated checks, and any and all associated funds.

29. Co-buyers and Co-lessees. In the case of co-buyers or co-lessees to a transaction falling within the Settlement Class, only one voucher or claim form and, if a voucher is redeemed for a check, one settlement check, shall be issued jointly to the transaction's co-buyers. For purposes of this Settlement Agreement, all co-buyers to a single transaction falling within the Settlement Class shall be treated as a single class member.

30. Incentive Awards and Other Payments to Class Representatives and Other Named Plaintiffs. The incentive and other payments to the Class Representatives and other Named Plaintiffs, as set forth in Paragraph 22, shall be wired at the same time as, and to the same account as that designated by Plaintiffs' Counsel pursuant to the terms set forth in Paragraph 21.

31. Disputes. The parties agree to negotiate in good faith to resolve any a dispute by a Settlement Class member, including a Named Plaintiff, concerning the relief to which that member is entitled under this Agreement. In the event that good-faith negotiations fail to resolve the

dispute, it shall be resolved by the Court, which shall retain jurisdiction over all matters related to the administration of the Settlement.

THE RELEASE AND COVENANT NOT TO SUE

32. On the Effective Date of this Settlement Agreement, for the benefits conferred upon the Settlement Class and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Plaintiffs (including all Class Representatives; all other Named Plaintiffs; and all members of the Settlement Class), and their respective current and former spouses, assigns, heirs, successors, attorneys, executors, trustees, agents, personal and legal representatives, subsidiaries, affiliates, officers, directors, and employees (the “Releasing Parties”) fully and forever release, acquit, and discharge the Autobahn Defendants and their affiliates, parents, and subsidiaries, its and their respective owners, shareholders, parents, affiliates, subsidiaries, dealerships, divisions, predecessors, successors, assigns, insurers, employees, contractors, administrators, brokers, vendors, agents, officers, directors, principals, law firms, and legal representatives, as well as the heirs, personal representatives, executors, administrators, predecessors, successors, and assigns of each of the foregoing, in each case past and present (collectively referred to as the “Released Parties”), in each case of and from any and all manner of claims arising from or related to facts alleged in the Action, and any claims that were or could have been brought in, the Action or the Original Action arising out of those alleged facts, as well as all forms of relief, including all remedies, costs, losses, liabilities, damages, debts, expenses, penalties, interest, and attorneys’ and other professionals’ fees and related disbursements, whether known or unknown, foreseen or unforeseen, suspected or unsuspected, asserted or unasserted, whether (a) claiming compensation, money damages, equitable or other type of relief; (b) based on any federal, state, or municipal statute, law, ordinance, or regulation; (c) based on common law or public policy; or (d) sounding in tort or contract, whether oral or written, express or implied,

law or equity, statutory or common law, or any other causes of action that any Releasing Party, whether directly, representatively, derivatively, or in any other capacity, ever had, now has, or hereafter can, shall, or may have against the Released Parties from the beginning of the world through the Effective Date (collectively, the “Released Claims”). The terms of this paragraph shall collectively be referred to herein as the “Release.” It is expressly intended and understood by the parties that this Settlement Agreement is to be construed as a complete settlement, accord, and satisfaction of the Released Claims. The Release shall be self-executing as of the Effective Date.

33. The “Released Claims” also include all claims in the Action asserted against MBUSA, a third-party beneficiary to this Agreement, except those relating to MBUSA’s advertising claims relating to longevity and superiority of Mercedes-Benz genuine parts. The claims in the Action that are not released as to MBUSA are reflected in the Third Amended Complaint in Count II (CLRA), Count III (UCL), Count IV (FAL), and Count IX (Common Law Fraud). MBUSA and its affiliates, parents, and subsidiaries, its and their respective owners, shareholders, parents, affiliates, subsidiaries, dealerships, divisions, predecessors, successors, assigns, insurers, employees, contractors, administrators, brokers, vendors, agents, officers, directors, principals, law firms, and legal representatives, as well as the heirs, personal representatives, executors, administrators, predecessors, successors, and assigns of each of the foregoing, in each case past and present are “Partially Released Entities” for the purpose of the Released Claims identified in this Paragraph.

34. The Releasing Parties acknowledge that they are releasing both known and unknown and suspected and unsuspected claims and causes of action in any way related to the allegations made in the Action and are aware that they may hereafter discover legal or equitable claims or remedies presently unknown or unsuspected, or facts in addition to or different from those which they now know or believe to be true with respect to the allegations in and subject

matter of Plaintiffs' Claims or otherwise with respect to the Released Claims. Nevertheless, it is the intention of the Releasing Parties to fully, finally, and forever settle and release all such matters, and all claims and causes of action relating thereto, which exist, hereafter may exist, or might have existed (whether or not previously or currently asserted in Plaintiffs' Claims) from the beginning of the world through the Effective Date.

35. The Releasing Parties hereby expressly acknowledge that Section 1542 of the Civil Code of the State of California provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

The Releasing Parties hereby agree that the provisions of Section 1542 of the Civil Code of the State of California and all similar, comparable or equivalent federal or state laws, rights, rules, or legal principles of any other jurisdiction that may be applicable, are hereby knowingly and voluntarily waived and relinquished by the Releasing Parties, and the Releasing Parties agree and acknowledge that this provision and the inclusion of unknown and unsuspected claims in the Release were separately bargained for and are essential terms of the Settlement Agreement and Release.

36. The Releasing Parties further agree that they shall not request or knowingly permit any third party, including but not limited to any private attorney general or Cal. Bus. and Prof. Code § 17200 plaintiff, to bring any claim released herein on their behalf.

37. The Releasing Parties further covenant and agree that (a) they will not sue or bring any action or cause of action, including by way of third-party claim, cross-claim, or counterclaim, against any of the Released Parties or the Partially Released Entities in respect of any of the

Released Claims; (b) they will not initiate any action against any of the Released Parties or the Partially Released Entities in respect of any of the Released Claims; and (c) they will not assist any third party in initiating or pursuing an action suit against the Released Parties or the Partially Released Entities in respect of any of the Released Claims.

38. The Release may be raised as a complete defense and bar to any action, claim, or demand brought in contravention of this Settlement Agreement. In the event that a plaintiff named in the Third Amended Complaint in the Action, including any Class Representative, brings or pursues any such action, claim, or demand against one or more of the Autobahn Defendants in violation of the Release after such plaintiff bringing or pursuing such barred action, claim, or demand receives notice that the action is in violation of the Release, such plaintiff bringing or pursuing such barred action, claim, or demand shall indemnify and hold harmless the Autobahn Defendant(s) against whom such action, claim, or demand is brought from and against any and all judgments, costs, and expenses arising therefrom (including but not limited to reasonable attorneys' fees and disbursements of counsel and other professionals and court costs incurred in connection therewith), it being the intent that the substantially prevailing party shall be entitled to indemnification from the substantially non-prevailing party involved in any such action. This duty to indemnify applies only to plaintiffs named in the Third Amended Complaint in the Action, including any Class Representative, who individually bring or actively participate in bringing a barred action, claim, or demand, and does not apply to any party that is involuntarily included in a class action.

39. The Release does not bar any Releasing Party, Released Party, or Partially Released Entity from bringing an action, claim, or demand to enforce the terms of this Settlement Agreement.

40. On the Effective Date of this Settlement Agreement, all attorney liens, if applicable, will be dissolved. Except for the obligation to make the payments of Attorneys' Fees and Costs as provided above in Paragraphs 21-22, the Released Parties shall be absolved and released from liability to Plaintiffs' Counsel in every way, including but not limited to liability for any of Plaintiffs' Counsel's attorneys' fees, other professional's fees, expert fees, disbursements, court costs, interest, penalties, and expenses, whether known or unknown, foreseen or unforeseen, suspected or unsuspected, asserted or unasserted, whether based on (a) any federal, state, or municipal statute, law, ordinance, or regulation; (b) based on any federal, state, or municipal statute, law, ordinance, or regulation; (c) based on common law or public policy; or (d) sounding in tort or contract, whether oral or written, express or implied, law or equity, statutory or common law, or any other causes of action Plaintiffs' Counsel, whether directly, representatively, derivatively, or in any other capacity, ever had, now has, or hereafter can, shall, or may have against the Released Parties from the beginning of the world through the Effective Date.

41. Within five (5) days of execution of this Agreement by all parties, Mr. Fethe shall dismiss his arbitration proceeding and all arbitration claims brought against the Autobahn Defendants. If the Effective Date of this Agreement does not occur, Mr. Fethe may re-file his arbitration claims with the American Arbitration Association (AAA) within 14 days of the event that causes the Effective Date not to occur. The Autobahn Defendants agree that the time between Mr. Fethe's dismissal of his arbitration claim and refiling of such claim in accordance with this Agreement, should the Effective Date not occur, shall not be the basis for any statute of limitation defense to Mr. Fethe's arbitration claim.

NO ADMISSION OF LIABILITY OR WAIVER OF DEFENSES

42. The Autobahn Defendants deny Plaintiffs' allegations, including the allegations in each complaint or demand filed in any forum and deny liability to Plaintiffs or to others similarly

situated, including all members of the Settlement Class. It is specifically agreed that the execution of this Settlement Agreement is not, and shall not be construed as, an admission of any factual or legal issue, an admission of wrongdoing or liability by the Autobahn Defendants, an admission that the Autobahn Defendants violated any provision of any federal or state law, an admission that the Autobahn Defendants concedes that class treatment of Plaintiffs' Claims is appropriate in the non-settlement context, a waiver of the right on the part of the Autobahn Defendants to enforce arbitration agreements including waiver of the right to pursue a collective action with any Plaintiff, or the waiver of any other defense of the Autobahn Defendants. The Autobahn Defendants consider it desirable that Plaintiffs' Claims be settled upon the terms and conditions set forth in this Settlement Agreement in order to avoid further expense and burdensome, protracted litigation and to put to rest the Released Claims described herein.

PUBLIC COMMENT AND NON-DISPARAGEMENT

43. No party or counsel shall make a public announcement or press release regarding this settlement, except as required by law or as agreed to by the parties in the form of any class settlement website containing the long form class notice contemplated herein. Any inquiry by any member of the public or the press shall be answered by referring him or her to the Settlement Agreement, to be filed in Court and posted on the website maintained by the Settlement Administrator and/or to the long form class notice and no party or counsel shall disclose the nature or substance of the parties' negotiations except to say that the dispute was "settled on mutually agreeable terms." This provision shall not preclude Plaintiffs' Counsel, via their firms' websites, from directing class members to the website maintained by the Settlement Administrator, or from communicating with any individual class member regarding the benefits of the settlement in response to any inquiry from that class member.

CHOICE OF LAW

44. This Settlement Agreement and its exhibits shall be governed by the laws of the State of California without regard to application of choice of law rules of any jurisdiction. The parties agree that no statutory or common law of any other state shall be argued to invalidate or render unenforceable any part of this Settlement Agreement.

MISCELLANEOUS PROVISIONS

45. The parties agree to undertake in good faith their reasonable best efforts, including all steps and efforts contemplated by this Settlement Agreement and any other steps and efforts that may be necessary or appropriate to carry out the terms and objectives of this Settlement Agreement and to resolve any disputes that may arise therefrom.

46. The headings used in this Settlement Agreement are intended for the convenience of the reader only and shall not affect the meaning or interpretation of this Settlement Agreement. The use of the singular form of any word in this Settlement Agreement includes the plural and vice versa.

47. None of the parties hereto shall be considered to be the drafter of this Settlement Agreement or any provision hereof for the purpose of any statute, case law or rule of interpretation or construction that would or might cause any provision to be construed against the drafter hereof.

48. This Settlement Agreement constitutes the full and entire agreement among the parties with regard to the subject matter hereof, and supersedes all prior representations, promises, or warranties, oral or otherwise, made by any party. No party shall be liable or bound to any other party for any prior representation promise or warranty, oral or otherwise, except for those that are expressly set forth in this Settlement Agreement. This Settlement Agreement shall not be modified in any respect except by a writing executed by and among the parties. Each party has undertaken its own investigation of the relevant facts and law and has concluded that this Settlement

Agreement is in the best interests of that party. No party has relied on any representation made by any other party in deciding whether to enter into this Settlement Agreement.

49. Each party hereto warrants and represents to the other that the party signing this Settlement Agreement on behalf of the respective parties is duly authorized to sign this Settlement Agreement and that this Settlement Agreement is binding and enforceable as to each of the respective parties.

50. This Settlement Agreement may be executed in separate counterparts without each party signing the same, and execution of counterparts shall have the same force and effect as if all parties had signed the same instrument, and each such counterpart shall constitute one and the same agreement; provided, however, this Settlement Agreement shall not be binding until it has been executed by everyone for whom a signature line has been provided. This Settlement Agreement shall become effective upon its execution by all of the undersigned.
