Comments & Reviews

This Mercedes-Benz won't be on the lot long!

It delivers an exhilarating ride without compromising safety and comfort! The engine breathes better thanks to a turbocharger, improving both performance and economy. Mercedes-Benz prioritized comfort and style by including: fully automatic headlights, blind spot sensor, and 1-touch window functionality. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in consistently exceeding our customer's expectations. Please don't hesitate to give us a call.
