My best friend recommended Aj Sardar at fletcher jones - she previously had bought a Benz through them. Aj is the finance manager there ( who she also recommended) and is one of the most professional gentlemen I've met. I had the best and seamless car buying experience I've ever had thanks to Aj and Mike! They really took the initiative to make sure that I find the perfect car. I had a lot of questions that they were both able to answer and were very patient with my needs and budget. I am thankful for people like Aj Sardar and Mike Alkadoumi for being extremely professional, honest, patient, and helpful. Mike Alkadoumi showed me all the vehicles I was interested in took the time to compare almost every detail and he was very patient since I was so indecisive about which car to get so I appreciate him for his patience and assistance thru out the process. They were very kind and I felt really comfortable trusting them. I've had really bad dealership experiences in the past but not at Fletcher Jones Mercedes Benz and I definitely recommend anyone who is looking to purchase a Benz to go see AJ and mike they are the best in the bay! So happy to have found this place and to have worked with them! Anyone who wants to buy a Benz and wants to go to a honest and trustworthy dealership please see Aj and Mike they are the best! Thank you so much Aj and mike!!! 😊
