What are you waiting for? Check out this 2019!

It delivers style and power in a single package! A turbocharger further enhances performance, while also preserving fuel economy. With fewer than a thousand miles on the odometer, this vehicle provides excellent value as a pre-owned model. Mercedes-Benz prioritized comfort and style by including: a tachometer, tilt steering wheel, and power windows. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our aim is to provide our customers with the best prices and service at all times. Please don't hesitate to give us a call.
