This Mercedes-Benz won't be on the lot long!

This vehicle embraces a bold stylistic philosophy while retaining craftsmanship and elegance! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Mercedes-Benz prioritized practicality, efficiency, and style by including: a tachometer, an outside temperature display, and 1-touch window functionality. Smooth gearshifts are achieved thanks to the refined 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our team is professional, and we offer a no-pressure environment. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
