Check out this 2019!

First and foremost is the striking exterior. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Mercedes-Benz prioritized comfort and style by including: a tachometer, fully automatic headlights, and air conditioning. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
