

█████, I've been in intense prayer for you since early this morning. About an hour ago **the Lord showed me that He intends to release upon your life the spirit of "Divine Increase". Get ready for miracle multiplication...**

Now is the TIME
to attract MONEY
To you ...

*My Dear ██████,

The Lord woke me up early this morning (about 6am). A powerful anointing of intercession and prophecy settled down on me shortly after I arose. I found myself praying and interceding for you and several other close prayer partners. The more I prayed the more I sensed a visitation of miracle multiplication was about to hit your home and life! Get ready. This will be life-changing!

█████, before I say anything else I must share this powerful "PERSONAL TESTIMONY" with you.

When I was a young boy my father was the pastor of a large church in Berlin, Germany. He and my mom had planted little satellite churches in other towns around the country. There came a day when all of the pastors came to my father's church for fellowship worship services. Times were hard way back then. The pastors had travelled many miles and had nothing to eat. One of the ministers actually lost consciousness during one of the meetings because of hunger. My mom and dad wanted to feed these men of God but all they had in this world was part of a dry loaf of bread. In great faith and love Mom and Dad had the ministers sit down for dinner. Mom began to slice up the little bit of bread she had and give it out to the preachers. Miraculously the bread began to multiply and grow under mother's hands as she distributed it to the servants of God. Everyone ate until they were satisfied by a divine act of God! I witnessed this with my own eyes as a little child and it taught me that... "little becomes much when God gets involved!"

The moment you become willing in your heart to invest what you have in the gospel... miracle multiplication is promised. This is why Jesus said; "Seek ye first the kingdom of God, and His righteousness...and ALL THESE THINGS shall be added unto you." (Saint Matthew 6:33)

— OVER —

█████, as I prayed for you this morning I felt like the Lord was showing me that you have been very troubled by circumstances that seem out of control in your life there in █████. Are there bills that you can't quite seem to pay? Is there someone in your life that just won't do right? Do you need a new and better source of money flow? Would you like to feel better physically so you can focus more on living an abundant life? Again I must remind you that **I keep seeing a very strong spirit of Divine Increase that is about to hit your home! Twice I have closed my eyes as I have prayed for you. Both times I have seen the number 33!** After praying on this I sense that this represents a period of thirty-three days of miracle-multiplication and divine-increase in your life! Praise His Wonderful Name! This is going to require faith and obedience on your part so be very sensitive to the directions I will share with you in this letter.

LARGE AND WONDERFUL SUMS OF MONEY

Early this morning the Lord spoke to me to send you Prayer-Blessed Bread, █████!

ARE READY...

█████ enclosed in this anointed letter is a small packet with the words **"MIRACLE MANNA LOAF"** printed on it. As I interceded for you this morning a strong impression came upon me that I was to send you this prayer-blessed unleavened bread. **Take the bread out of the packet right now and hold it in your right hand.** Can you feel the power of my prayers on it as you hold it? I have prayed powerfully over it. **You will be using it in just a moment as a "touch-point" to trigger a 33 day season of divine-increase in your life.** Right now, before I say anything else, I must stop and prophesy over you!

"For surely my Daughter, I have seen the trouble that has been all around you. I have seen how the enemy has sought to come against you through your health and your finances. I have anointed my servant, and your prophet, Peter Popoff to come against the very things that have come against you. Move in faith and obedience this day and do as you are divinely instructed. Do not hesitate to put me first," saith the Lord... "for even as you put me first... I will put you first... and as you seek first the kingdom and prove-me I will cause all the rest to be added unto you. Act in faith and not in doubt. See if I will not open the windows of Heaven and pour you out a blessing you do not have room enough to receive."

█, something I learned years ago is that miracles never just happen... you have to use your faith and make them happen! When I was a little boy and saw God multiply the bread for my praying mother it showed me the power of faith-action. The easiest thing for my mother and father to do would have been to keep the little they had. But because they were willing to use the little they possessed to be a blessing to the servants of God, God multiplied their bread! **Faith moves God and God always moves because of faith. Praise His name!**

A NEW WORD FILLED WITH HAPPINESS AND MONEY...

Again the Bible tells us about a little starving widow woman and her son in I Kings Chapter 17. This woman's life was in such a mess financially that all she had left in the world was a little bit of meal and a little oil to cook it in. Because there was such a famine in the land she and her son had not had a bite to eat for over 50 days. God sent the prophet Elijah to her. When the prophet found her she was baking her little cake. She planned on eating half of it and feeding the other half to her starving son. After that she planned on lying down on the ground next to him waiting to die. When the prophet found her he demanded that she bake him the first cake. To my natural mind this seems cruel but faith never makes sense to your natural mind. After she fed the prophet a worthy portion of the little she had left in this world he prophesied over her meal barrel and her oil cruise. For three and a half years, until the famine ended, there was always miracle oil in the oil cruise and miracle meal in the meal barrel. She never missed a meal! Neither did the prophet or her son! Because she had faith she was willing to use what she had to get what she needed from the Lord.

EXCELLENT THINGS... INCREDIBLE AND MARVELLOUS THINGS ARE ON THE BRINK OF HAPPENING TO YOU!

* █, I have to ask you right now; "Are you willing to use what you have to get what you need from the Lord... to get what you've longed for?" As I prayed for you this morning the number 33 came to me very strong in a faith-vision. I immediately sensed that it represented a "season of blessing time." The Lord also spoke to me that it represented a specific amount of money that I was to challenge you to sow in the gospel when you write me back tomorrow. Even if it requires a sacrifice... \$33 is the amount I feel directed of the Lord to ask you to consecrate to the gospel when you write me back. The Lord spoke to me that it is a "Worthy Portion" offering that will cause God's miracle hand to move for you over the next 33 days! It may or may not be an easy seed for you to sow tomorrow. I know that you may not be able to give every time that I write you... but this is a most important amount for a most important miracle-release in your life.

"TRIGGERING" IS IMMINENT... THIS GREAT OVER

Here are your "ANOINTED-FAITH-INSTRUCTIONS" [REDACTED].

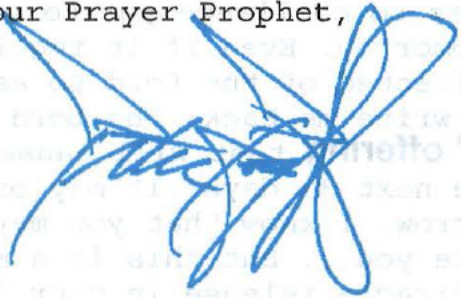

* **STEP ONE:** Decide right now that you will specifically sow a sacrificial seed of exactly \$33 into the gospel. You may even feel impressed to add an additional tithe or offering to this amount. Make sure you pray about this.

* **STEP TWO:** Once you have purposed to consecrate a "Worthy Portion" Seed of \$33, get alone with God somewhere private and **pray this Power-Prayer out loud three times.** Once you have prayed the prayer three times take the "Miracle Manna Wafer" place it on your tongue and eat it. Here is your prayer:

"Dear Jesus, I believe in putting the gospel first. I have obeyed your servant and consecrated a 'Worthy Portion' offering. Now Lord I thank you in advance for 33 days of Miracle Multiplication and Divine Intervention in my life. Because I have put the gospel first I know that you will put me first. Even as I eat the blessed manna I confess "Divine Increase" spiritually, physically, and financially over the next 33 days. In Jesus' Name. Amen."

* **STEP THREE:** Once you have followed Steps One and Two, prayerfully **fill out the MIRACLE MANNA PRAYER PAGE** on the final page of this letter. Take a moment to tell me about anything that is really troubling you. This helps the prayer-family and me to know specifically how to pray for you. Try and write back within 24 hours. There are further **Prophetic Instructions** I must share with you when I receive your **"Worthy Portion"** offering of \$33 and your prayer page back this week.
