

██████████, 3 minutes after you receive this letter, you will experience an incredible miracle at the emotional level... and especially, the financial level... Also an imminent danger coming against you will be **TOTALLY STOPPED IN ITS TRACKS...**

Rev. Peter Popoff

*THIS IS ALL...  
CONCRETE and IMMEDIATE!*

\*Dear ██████████,

**It's absolutely imperative that you read this letter as a TOP PRIORITY - please do it with great urgency!**

A top priority because it contains excellent news about you... maybe the most significant news that you've ever read!

With great urgency because you must contact me within the next seven days!

After that, it will be too late... and there is a good reason for that...

**Because ██████████ in the next 72 hours a major transformation is going to take place in your life that will cause a most important change in your life once and for all!** I want to explain to you how this will work and by what miracle the course of your life is going to be turned upside down at the emotional and financial level. But, before I do that, here is what you must know:

**Within 3 minutes you are going to receive a "very special" miraculous impartation of God's Supernatural Power that will immediately have an exceptional effect on your life.** Here is why: For a very important reason that I'll share with you in just a moment, the Holy Spirit prompted me to send you this authentic and precious "Golden Shield of King David". I have released a powerful prophet's anointing upon it especially for you. The Holy Spirit led me specifically as I released this anointing upon it over a 48 hour period.

**Please understand:** this heavily anointed "Golden Shield" cannot be compared to any other prayer cloth or other points of contact which have been previously given to you. I have followed the exact method given to me by the Holy Spirit to anoint it for you.

In a few moments you will notice that it releases a strange and very powerful anointing that instantaneously releases a shield of divine protection all around you and instantly releases such a powerful prosperity anointing that it triggers an almost immediate transformation of your destiny in the areas of emotion and finance!

*— OVER —*

Because, with the direct guidance of the Holy Spirit over a 48 hour period, I was able to confer upon this "Golden Shield of David" an anointing unlike any other that, in your case, will release and break every hindrance that has made it almost next to impossible to break through the hindering forces that have kept you from seeing the desires of your heart become realities. **As you use it, in faith, the serious problem that you've struggled with for so long will be broken down and simply vanish by a miracle!**

As a precaution, and to safeguard against the enemy's attacks that I feel coming at your home, I am going to ask you to urgently use the "Golden Shield of David" by following the instructions that I have written out for you.

In this way, in the next few minutes, we will quickly disperse all of the enemy's attacks against you that are his attempts to hinder you and rob you of your blessing.

What's more, we will release a powerful supernatural anointing that's capable of activating your faith to receive money, love and divine wisdom. Also, you'll release divine angelic forces to intervene on your behalf that will cause events to turn out in your favor!

**(( I will tell you exactly what to do to make this happen, but before that, I have a question for you: ))**

Don't you find it strange that this evil assault is coming against you now, when it seems that you are so close to seeing the fulfillment of so many of your personal dreams?

I have been praying for you, with great intensity, for the past 72 hours, and I want to assure you that, if you'll follow the instructions that I'll share with you, we will be able to set up a powerful hedge of divine protection all around you and your house that no evil force will be able to penetrate.

That will also permit us, through 3 powerful faith actions, to channel this anointing to carry out some truly miraculous deeds (*which at the moment you are not aware of*) which I will tell you about now.

Since the ancient times when King David ruled over Israel, we have known of a special anointing upon certain words which had to be repeated 3 times in the presence of the "Golden Shield of David" (*which I have sent you*) - which, through a miraculous power, can quickly trigger the realization of events inscribed in your divine destiny... **A genuine release of a true miracle!**

go on to P. 3 →

Sometimes it is difficult for you to believe that a huge transition in the emotional and financial levels of your destiny is possible. I know this and understand.

**But just wait a few minutes for you are certainly going to change your opinion. You are going to understand why:**

I don't know if you've ever actually seen a genuine miracle unfold before your very eyes, but if the "Golden Shield of King David" and the "3 Powerful Faith Actions" do for you what they have already done for others before you, **all of your most significant problems will be rapidly solved! And you will have proof of it.**

But before that happens, I am going to tell you why I can share these things with you with such confidence. I was anointed with a prophetic anointing at a very young age when I was burning up with a very high fever. There was nothing more that the doctors could do. At this very critical moment, I saw Jesus enter the room and take me by the hand and tell me that I was made whole. Strength returned to my body and I discovered that I now had surprising visionary powers. After this miraculous healing a very strong, powerful, prophetic and healing anointing rested upon me.

Since that time, hundreds, even thousands have received divine healing and have also seen their finances healed as we agreed together in prayer and faith.

✓ Also, since that healing when I was just a young child, I have possessed an exceptional gift which allows me to see events inscribed in the future that a majority of people cannot see.

✓ This amazing gift (*one of the 9 gifts of the spirit listed in I Cor. 12 & Romans 12*) always alerts me in advance when something of importance is about to happen in the life of a person confronted with a serious problem concerning health, money, scarcity or love.

✓ I also possess an amazing prayer power anointing that allows me to intercede on the behalf of a person and see extraordinary results when a miracle is needed to turn a sad, hopeless, dismal existence in a positive direction.

In these situations, I am anointed to intervene in support of this person to promote a positive, lasting and rapid realization so that their life can be turned completely around.

WHAT I AM OFFERING you now IS UNIQUE!!  
OVER

You have seen so many people on our telecast who, at one time or another, were in difficult, even hopeless situations and saw their lives changed after using a powerful point of contact that I sent them to help them release their faith. **Now it's your turn! I am sending you this "Golden Shield of King David" along with "3 Powerful Faith Actions" that will turn your life into a life of vitality, victory and abundance.**

The same blessings and happiness that God used me to bring to others, I am now bringing to you! That's why I need your full attention so that you can receive all that God now has for you.

I can definitely announce to you that a turn-around of your situation is going to take place more quickly than predicted - **the radical change (emotionally and especially financially) that you have been believing for is already getting underway!**

This must unfold over the next several months, and will suddenly interrupt the course of your destiny. I will tell you exactly what to do when this happens.

But at this time, another surprising thing regarding you will take place. I saw unusually powerful hindering forces that warned me of "*something*" that wouldn't turn out just right in your life.

**In a "flash vision" I saw hindering spirits make a last ditch effort to stop you from moving forward into your glorious divine destiny.**

This explains why, despite all your attempts, you have never completely succeeded in ridding yourself of them, and that today you still find yourself in a vicious cycle where failure begets failure and misfortune in your endeavors. **All this MUST BE STOPPED DEAD! THIS IS VERY URGENT!**

That is why the first thing I am going to do for you is to help you build a prayer covering over your life and everything that's yours. This will be a covering that the enemy will not be able to penetrate.

**Here is what you must do. This is very simple:**

#1.

Take the "Golden Shield of King David" and hold it between your hands. Hold your hands as if you were praying with the "Golden Shield" held in the middle. Then say with strength and conviction the first divine utterance for power:

*He rescues me from my enemies; he lifts me up high and keeps me out of reach, far from the grasp of my violent foe. (Ps. 18:48) (say this 2 times more)*

*go on to P. 5* →

- 5 -

This is the song King David spoke when the Lord delivered him from his enemies.

As you speak these divine words out of your mouth, spiritual forces that you're not even aware of at this moment will be released to work for you. In the next few days, you will notice an amazing reversal of your situation.

**Several incredible miracles are imminent.**

I say this with great certainty because of the very positive things I saw in the financial areas of your life. It's important that you act quickly, because an unexpected event will certainly take place within the next few weeks, maybe even the next few days!

But that's not all... there's also another thing that troubles me about your home, and that's a problem that touches you personally.

I feel your home is significantly lacking in joy and warmth at the emotional level...

As a result, you are sinking into a deep emotional solitude that causes trouble in your relationships with others and that you are finding difficult to bear.

**If nothing is done, this situation may have grave consequences for you and your happiness.**

It can weaken your morale even more, and make you plunge into a state of sadness that puts you at risk of cutting short your happiness and your LIFE!

It threatens to imprison you a little more every day in a kind of vicious cycle of negative emotions that make you believe your life will never change.

**Believe me, your life can change more quickly than you think.** In reality, the problem you have with lack of emotional fulfillment is due to this sly form of negativity that surrounds you and even now works on you in a very devious way.

I want to reassure you that you can very quickly find a happy ending to this difficult emotional period in your life. You don't have to do much to make it happen, but here also, it is important to act quickly!

**PLEASE OVER** →

This is the second thing I am going to do for you to release love and warmth into your life.

**Here is what you must do now:**

#2

For the second time, pick up the "Golden Shield of King David" and squeeze it tightly between your hands. Then make the following power confession:

*Yes! Look how you've made all your lovers to flourish like palm trees, each one growing in victory, standing with strength! (Ps. 92:12) (say this 2 times more)*

**A second miraculous process has just been set in motion to bring you the most beautiful reciprocal love you have ever known.** Very soon you finally will be able to experience this great, long awaited happiness because, in the flash vision I had of your emotional life, I saw the most beautiful renewal. You will have a romantic revival experience or the return of a loved one in a solid union based on trust, understanding, and true love.

**THIS WILL BECOME A REALITY!**

It is clear that this will bring your loneliness and the feeling of being totally on your own to an end and orient your whole personal life towards what you seek from the bottom of your heart.

By placing a prayer cover over your life, and releasing warmth and love in your life, we already have taken two big steps towards bringing you closer to your ideal victory and happiness.

//

**There is one more important point in your life that we need to talk about. This concerns the financial area.**

I know that for some time you have had a great deal of difficulty maintaining a stable and healthy financial situation.

Despite the many sacrifices you've made, your situation hasn't improved and you just can't get the things you want and need most.

I can tell you that, as far as money is concerned, things will begin to happen in an unexpected way.

This is why the 3rd and final thing that I am going to do for you is to release money and supernatural prosperity in your life.

**YOU WILL SOON UNDERSTAND  
WHY YOUR BLESSINGS WILL  
UNFOLD IN THE VERY  
NEAR FUTURE...  
GO ON TO P. 7 →**

#3

Here is what you must do:

Once again, take the "Golden Shield of King David" and hold it tightly in your hands between your palms one last time.

Then, out loud, speak forth with strength and conviction the third faith command:

**THESE ARE GOD'S WORDS...**

*His pleasure and passion is remaining true to the Word of "I Am," meditating day and night in the true revelation of light. He will be standing firm like a flourishing tree planted by God's design, deeply rooted by the brooks of bliss, bearing fruit in every season of his life. He is never dry, never fainting, ever blessed, ever prosperous. (Ps. 1:2-3) (Say this out loud 3 times)*

One last supernatural process will be set in motion for you that will produce a period of amazing prosperity for you. You will be able to pay off most of what you owe quickly.

That is why it is important that I now reveal precisely the financial events that I saw in this "flash vision" that are about to turn your life around in the next few weeks and months.

||

**I have seen you experience these amazing money events that you've been praying for and believing for.**

An event of a financial nature will emerge with great speed (*probably within a few weeks*), involving quite a large sum of money. To take advantage of this, you will meet certain people who will open the door to this miracle money. I will tell you more about this at the proper time.

Then, very suddenly, another opportunity will pop up. You'll receive almost double the amount of your first blessing. This will take place in a rapid and unexpected fashion. After these two events, I can confirm you'll see an end to one of the important current problems of your life: MONEY!

**I believe God will let me see the dates and, perhaps, the exact amounts you will receive in the days ahead.** I will be in intense and specific prayer for you... and I'll listen very carefully to the voice of the spirit. I will let you know as the Lord reveals times, dates and amounts to me.

**YES, YOUR LIFE PASSED IN FRONT OF MY AMAZED EYES!!**  
**— OVER —** →

What I can tell you now is that the amounts you receive will put you on top of your financial affairs. You'll be able to take a well-deserved rest and do some of the things that you have, so far, only dreamed about.

I hope you realize, by now, why it is so important for you to read this letter quickly. You just can't allow yourself to miss such an important opportunity to see miraculous changes in your life just because it seems almost impossible (Matthew 19:26).

You must understand that, with God, all things are possible and that your whole life can change in a moment, in a twinkling of an eye. And for that to happen you just have to use the heavily anointed "Shield of King David" just as I directed. **When our faith unites together it creates an invincible force that the powers of darkness cannot penetrate or HOLD BACK.**

You must get your answer back to me right away! If not, the powerful forces we released moments ago will not be able to operate to the level of their full effectiveness. We released this power earlier and set it into motion and Satan would like nothing better than to see this flow of anointing hindered.

**Your faith action now will permit me to release awesome forces that will break down every hindrance that has held you back** and overwhelm the evil, negative forces that I have seen swirling around you at present.

I challenge you now to have complete confidence in the power of the Holy Spirit. The faith actions you have already taken and our united agreement together will eliminate definitively the evil waves that have surrounded you.

For your part, you must advance along the road to victory, success and prosperity by avoiding traps, by opening the right doors, and by making the right decisions.

For that, I am going to reveal an authentic "Key to Power". The divine secrets in this "Key to Power" were handed down in my family for generations. It contains the secrets of prosperity, health, and supernatural abundance in every area of your life.

I could share so many amazing testimonies, one after another, but that's not what's so important now.

What is really important for you to know is that with the extreme double portion anointing that rests upon the "Shield of King David", the faith actions that I will perform for you, and

*go on to P. 9 →*

the secrets you are going to discover in the "Key to Power" **your life will definitively change to miraculously pleasant.**

All that can happen to you is that you will see your life and circumstances transformed by God's power in ways you could never imagine... and that you finally see all your needs supplied according to the riches of His Glory.

**But there is one more condition... YOU MUST NOT WAIT! You must seize the opportunity that God has placed before you... NOW!**

Sister [REDACTED], I am convinced that by obeying God and giving a sacrificial OFFERING right now you will actually release the POWER that you need to walk into this new life of ABUNDANCE AND PEACE. GOD has given me these answers for you.

[REDACTED], I've lived and moved in this anointing for almost 50 years and I've discovered that releasing a sacrificial gift is the most effective way to release this DYNAMIC ABUNDANCE ANOINTING... This power to pay debts... this power to release MONEY MIRACLES IN YOUR LIFE. God is asking you to sow \$40.00.

My past experience has taught me that when opportunity shows up it's at unexpected moments, and when it arrives you've got to reach out and grab it. What you have to do is nothing compared to the glorious and even more victorious life that awaits you.
