# DARRELL & JOYCE HETTINGER

Providing Value, Inspiring Dreams Since 1997

Welcome to our site. Take your time and look around. If you have any questions, we'd love to answer them for you. While you're here, we'd like to tell you a little about ourselves.

We are Darrell and Joyce Hettinger from North East Missouri. We were childhood sweethearts and have been married for 35 years. We have two children and four wonderful grandchildren. Leah, our daughter and her husband, Joe, are the parents of Zachary, Kate and Alex. Our son, Luke, and his wife, Ali, are the parents of Jackson and Alaina.

When we were first introduced to Team National, Joyce wanted nothing to do with it. Actually, when we were shown the presentation, I watched, while Joyce looked at her watch!

We had been down the road of direct sales, and we were not looking for another company. We owned a conventional business or should we say, our business, owned us. Needless to say, we were very busy. It wasn't just the problem of being busy that kept Joyce from looking, it was that she had been burnt with the industry and wasn't willing to take the chance of being burnt again. She had really given up on her dreams. I saw real potential through Team National to make some money. Although Joyce wasn't interested, she told me that she would support me the best that she could,

but that she was not going to be involved!

Two weeks after signing the application, we went to the Winter National Conference to find out if the company was for real. Joyce saw something there she hadn't expected to see: real honesty and integrity. The honesty and integrity that came from the very top of the company was unlike anything we had ever seen before. We both realized this wasn't just another company! We left that conference knowing this was a company we could believe in, we could count on and we could build with confidence!

Team National is making our dreams come true. Without this business, I'm not sure where we would be financially. Downsizing and past business failures left us deep in debt with little direction.

We have been blessed by sharing Team National with old and new friends. One thing we have learned is to, "never judge a book by its cover." You never know who has been praying for something to come along to change their direction. The person who shared Team National with us changed our lives. Team National is life-changing and should be shared with everyone!

Your dreams are far too important to give up on! Make your dreams come true and help others do the same.
