# MARK & GINGER JORDAN

Providing Value, Inspiring Dreams Since 1997

We are Mark and Ginger Jordan from Florien, LA. A friend introduced us to Team National several years ago. Ginger's background is in education, and Mark's background is in outside sales. We also are building a subdivision, have rental property, and Mark is the Music Director at our church. When we saw Team National we also had over 400 head of cattle. Immediately we saw the co-op concept. We had used co-ops in our cattle business and knew the power they possess. We took full advantage of the savings and saved on everything from cellphones, to furniture, to items we use every day.

We became very excited about the income when we began sharing this wonderful company with our friends and family. Although we were busy, the business model allowed us to leverage our time. Sharing this very part-time we were able to match Ginger's teaching salary in the first month. The income has continued to grow and allowed us to send both of our sons to college, and develop a track of land near a local resort. It has also allowed both of us to retire early and spend our time helping others pursue excellence through Team National.

Becoming a part of Team National is the best business decision we have ever made!
