RICK & PRISCILLA JACKSON

Providing Value, Inspiring Dreams Since 1997

We are Rick and Priscilla Jackson, from Tupelo, MS. Rick is a former District Manager for a national automotive repair company. Priscilla has been a "stay-at-home crafter" since 2004 after many years as a draftsman in the architectural millwork industry.

We were introduced to Team National in July 2012, jumped on board and haven't looked back. With our lifetime membership, our family has saved several thousands of dollars on everything from everyday cleaning supplies, to

restaurants, to new cars.

Even though the savings membership has been great, it's the income that has changed our lives. We no longer get up to an alarm clock, we don't have to schedule vacations with a boss, and we have met some wonderful people who will be our friends for life.

We thank God everyday for blessing us with this awesome company and the opportunity to help others change their lives.
