# JOHNNY & ROBIN SELF

Providing Value, Inspiring Dreams Since 1997

Would you like to create additional streams of income without interfering with your job/career...and have fun doing it too?

Would you like to pay less instead of more on things you're spending money on every day? Just like you, we answered, "YES!"

We were those busy people. Robin was working in the medical field and I was in the wireless communication industry. We didn't have time to pay attention, but we wanted a change. We wanted our time and life back!

We encourage and invite you to contact us and arrange to see our "life changing" 10 minute DVD. This too, could change your life forever!
