ROB & PAM SMITH

Providing Value, Inspiring Dreams Since 1997

We are Rob and Pam Smith from West Monroe, LA. At the time we were introduced to Team National, we were praying for an extra stream of income and looking for ways to cut our expenses. I worked in the insurance industry when my job and retirement went away and Rob was a teacher and a coach working 60 to 80 hours a week.

Our prayers were answered when a good friend called us one evening and shared a make-sense concept with us. We saw a way to create a secondary stream of income and reduce our daily expenses. We immediately began using the benefits and began saving where we were already writing checks. We have saved more than the cost of the benefits package each year.

Just by sharing this concept on a part-time basis, we were able to create enough income to retire both of us early from our full-time jobs. Today, instead of building someone else's dreams, we now have time to do things we enjoy with our family and friends and are helping a lot of other people have the same choice.
