# WAYNE & EMILY WILSON

Providing Value, Inspiring Dreams Since 1997

We are Wayne & Emily Wilson from Paris, TN. We have been married for 13 years and have three wonderful children - Allie, Trent & Madilyn. We were blessed with Team National in February of 2015. At that time, we were business owners in the dry cleaning industry and also had rental property/duplexes. While working 60-70 hours a week, we

found that we didn't own our business, but our business owned us!

We had been praying for a way to get more time freedom with our family. We are forever grateful to our friends, Mike and Lisa Beddies, for bringing Team National into our lives! Since joining, we have saved well over \$20,000 and created a part-time residual income that allowed us to sell our business after just nine months. We're not retired, but "REINVENTED" by Team National and we love what this company has provided us - time freedom, financial freedom, personal growth and friendships that will last a lifetime!

We are humbled and honored to be a part of such an incredible company and enjoy waking up every day with the mission of helping enrich other people's lives and change their future! "Where there's a will, there's a way!"

This information is not intended to represent typical, actual or average savings or earnings. Actual earnings results by an Independent Marketing Director (IMD) will depend on the time and effort devoted to building the business. We do not guarantee success or earnings.
