OVERVIEW

Casual and comfortable, our Big Sur Collection has a fresh, contemporary aesthetic with square arms and deep seats. This armchair is designed for roomy lounging on its own or as an addition to other pieces in the collection to create a seating arrangement that's right for your space and family size. With a choice of slipcovers, you can easily update the look with the change in seasons. Each piece is crafted in America by our own master artisans.

- Removable legs are made of engineered hardwood with an Espresso finish.
- Square arms.
- Loose seat and back cushions.
- Down-blend-wrapped cushions for a softer feel. Seat is 50% regenerated polyester, 45% duck feather and 5% duck down solid blend. Back cushions are 50% virgin polyester fiber and 45% duck feather and 5% duck down; loose cushion core.
- Eco-friendly construction includes partially recycled heavy-gauge, no-sag steel sinuous springs, and plush seat cushions made with a minimum of 50% recycled materials.
- Adjustable levelers provide stability on uneven floors.
- Constructed domestically with imported materials.
