# **OVERVIEW**

Casual and comfortable, our Big Sur Collection has a fresh, contemporary aesthetic with square arms and deep seats. This ottoman is designed for roomy lounging, and can be used on its own as additional seating or a coffee table. It pairs perfectly with other pieces in the collection to create a seating arrangement that's right for your space and family size. With a wide choice of fabrics, you can create a look that's all your own. Each piece is crafted in America by our own master artisans.

- Removable legs are made of engineered hardwood with an Espresso finish.
- Loose seat and back cushions.
- Down-blend-wrapped cushions for a softer feel.
- Eco-friendly construction includes partially recycled heavy-gauge, no-sag steel sinuous springs, and plush seat cushions made with a minimum of 50% recycled materials.
- Adjustable levelers provide stability on uneven floors.
- Constructed domestically with imported materials.
