OVERVIEW

Casual and comfortable, our Big Sur Collection has a fresh, contemporary aesthetic with square arms and deep seats. This modular ottoman is designed for roomy lounging, and pairs perfectly with other components in the collection to create a seating arrangement that's right for your space and family size. With a wide choice of fabrics, you can create a look that's all your own. Each piece is crafted in America by our own master artisans.

- Down-blend-wrapped cushions for a softer feel. Seat is 50% regenerated virgin loose fiber, 45% feather and 5% down solid blend. Back is fiber loose cushion core.
- Removable legs are made of engineered hardwood with an Espresso finish.
- Mortise-and-tenon joinery provides exceptional structural integrity.
- Eco-friendly construction includes 70% recycled 8-gauge, steel sinuous springs, and seat cushions made with soy-based foam core.
- Steel sinuous springs provide cushion support.
- Hidden steel connectors hold modular pieces securely together.
- Adjustable levelers provide stability on uneven surfaces.
- Constructed domestically with imported materials.
