OVERVIEW

With its modern form, extra-deep seat and crisp tailoring, our spacious Andes Sectional has serious presence (it fits up to eight) but feels airy and light thanks to the thin frame and cast metal legs.

- This contract-grade item is manufactured to meet the demands of commercial use in addition to residential. [See more.](#)
- Cast metal legs.
- Loose cushions with zip-off covers; sofa seat cushions are not reversible.
- Imported.
