Q: I just need to verify that this would fit my doorway that's 28 in. wide x 84 in. high?

asked by Rodolfo R

A: Thanks for reaching out. I'm concerned that this won't fit in a 28" wide door, as even with the back cushions and legs removed, the narrowest part of this sleeper is still 29.75". I wish I had better news for you. Please let me know if you need help looking for a smaller sleeper sofa.

Q: What type of mattress does this have?

asked by west elm shopper

A: This has a standard coil sleeper mattress that pulls up and out of the base once the cushions are removed.

Q: Are the seat cushions and pillows washable?

asked by Laur L

A: The cushion covers unzip to remove. However, we do not recommend machine washing. Professional cleaning (including dry cleaning) is recommended for any spotting that a damp, clean cloth cannot remove.

Q: I just need to verify, would this fit in a 79inchx36 inch doorway ?

asked by A shopper

A: Yes. With the legs removed, this would fit through a door that's 36" wide.
