**Q:** What is the size of this couch when in sleeper mode?  
Is it equivalent to a full, a queen. . .?

asked by Tom L

A: The size of the sleeping space is 45" x 82" which places it right in between a standard Twin- and a Full-sized mattress (at 39" x 75" and 53" x 75", respectively).

answered by a west elm associate on May 7, 2018

**Q:** Does the Futon slide out on the base when it is laid down, or do you have to move the couch away from the wall to put it in sleeper mode?

asked by Ben G

A: The base does not slide, so you will need to ensure that there's space between the wall and the futon when transitioning it to sleeper mode.

**Q:** Where do I get sheets for this futon sofa?

asked by Candace C

A: We recommend using Queen-sized sheets with this futon due to its length (although the sleep space itself is between a Twin and a Full).

answered by a west elm associate on Jul 23, 2018

**Q:** can you remove the legs for this sofa for delivery through a small doorway?

asked by A shopper

A: Yes, the legs are removable.
