OVERVIEW

Give their crib a tailored yet dreamy look with this bedding set, boasting our softest cotton sateen and delicate tulle accents. Imagined with world-renown fashion designer Monique Lhuillier, it marries functionality with her contemporary, whimsical and magical design aesthetic.

DETAILS THAT MATTER

- Quilt is expertly stitched by hand.
- Crib fitted sheet is 350-thread count.
- Crib fitted sheet has elastic around the top and bottom only (rather than the entire edge) for added safety.
- Crib Fitted Sheet and Quilt are made of 100% cotton sateen. A sateen weave is a tightly woven weave, which gives the fabric a luxurious sheen while providing supreme softness and ultra durability.
- Bumper is made of 100% natural Belgian linen. A linen weave gives the fabric a coolness and freshness, while providing durability and ultra breathability.
- Bumper is filled with 100% polyester batting.
- Linen woven from Belgian flax is constructed in China. A linen weave is stronger and more lustrous than cotton, which gives the fabric a polished finish while providing durability.
- Crib Skirt is made of 100% nylon. Nylon is highly durable, retains its shape and looks great through many years of wear. The fabric resists wrinkles and is easy care.
- Four-sided crib skirt fits around the entire crib and is tailored with split corners for easy placement around posts.

SAFETY INFORMATION

- Use only a fitted bottom sheet that is specifically made for crib use (Pottery Barn Kids fitted crib sheets have elastic around the top and bottom, rather than around the entire edge, for added safety), along with a mattress pad and/or a waterproof pad.
- If you use a blanket, ensure it is tucked around the sides of the crib mattress and covers your baby only up to the chest.
- Do not place decorative pillows, quilts, comforters, sheepskins or stuffed animals in the crib while your baby is sleeping, as they may prevent proper air circulation around your baby's face.
- When your child is able to pull up to a standing position, you should remove the crib bumper.
- Do not place cribs next to a window, near cords or under heavy objects that could fall into the crib.

KEY PRODUCT POINTS

- Crib skirt decking is made of 100% cotton.
- Bumper has 18 ties to securely fasten against crib sides.
- Machine wash.

- Imported.
