SUMMARY

From luscious cheesecakes and tortes to savory quiches and deep-dish pizzas, you can count on this professional nonstick pan to release even the most delicate creations intact. The key to its foolproof efficiency is a classic design with removable sides that clamp tightly around the base for a leakproof seal, then spring free when you open the clamp.

- Commercial-quality steel pan conducts heat quickly and evenly for consistent baking and browning.
- Durable nonstick coating ensures easy release and cleanup.
- Springform clamp design features fully removable sides.
- Can be used to bake cakes inside the Instant Pot.
- Made in Germany.
