#### **SUMMARY**

Plush, loose cushions give our Pierce sofa its welcoming comfort; the hand-pleated English arms and simple tailoring give it a classic look and great versatility. Choose from two resilient cushion fills: down-wrapped or thick, double-layer poly fiber.

- Handcrafted in USA by skilled artisans using American and imported materials.
- Frame crafted of kiln-dried sustainably harvested hardwood.
- Mortise-and-tenon joinery, reinforced with double-dowels and corner blocks.
- · Eight-way hand-tied seat springs for exceptional support; back is reinforced with sinuous steel springs.
- · Seat cushions have high-resiliency foam cores with up to 10% soy-based materials featuring inner springs for additional support. Cushion cores are then wrapped in either our premium down blend or our thick, double-layer poly fiber.
- Based on your choice of fill down or poly fiber two matching 20" sq. throw pillows in correlating fibers will be included.
- · Nailhead accents.
- Solid maple legs stained dark walnut; tapered front legs set on brass casters.
- Available made to order in all of our custom upholstery fabrics and leathers; to place a custom order, please call 888-922-4108 for assistance from one of our furniture specialists.
- · All cushions upholstered in leather are backed with fabric to allow for air circulation and are not reversible
- Furniture upholstered in mohair will not have welting (piping) or topstitching.
- In-home delivery with White Glove service.
