OVERVIEW

Simple lines and softly rounded corners distinguish the profile of our Raleigh Square Low Storage Bed, with a low profile that allows more room above for stylish decorating. The storage platform, with four deep drawers, adds functionality to smaller spaces. It's crafted by our own master upholsterers in the heart of North Carolina.

- Crafted with a kiln-dried hardwood frame.
- Bed features four deep storage drawers (two on each side) with dovetail construction open on metal drawer glides.
- Headboard, footrail and side rails are thickly padded and tightly upholstered with your choice of fabric.
- Exposed block feet have a hand-applied Espresso finish.
- Cross-slat (5) support system.
- Bed is designed for use without a box spring.
- Adjustable levelers add stability on uneven floors.
- Constructed domestically with imported materials.
