OVERVIEW

First used in the 17th-century to secure upholstery to wooden chairs, nailhead trim creates a handsome decorative element. Outlining the cushioned headboard of our Tamsen Curved Storage Bed, it accentuates the elegant silhouette. The storage platform makes this bed ideal for smaller spaces.

- Crafted of rubberwood, pine wood, engineered wood and MDF.
- Headboard, footrail and side rails are padded and tightly upholstered with fabric of choice.
- Nailheads are made out of brass and finished in bronze or pewter.
- Bed is designed for use without a box spring.
- Double nailhead detail trims the outer edges of the headboard.
- Storage platform bed has two storage drawers located on each side.
- Cross-slat (5) support system.
- Bed is designed for use without a box spring.
- Exposed block feet of headboard are hand finished in Espresso.
- Imported.
