Q: Is what's pictured the regular 39" depth seats, or the deeper 43"? They look deep from the pictures, and I don't know if there is a need to purchase deep. Also, is the basket weave natural pictured anywhere?

asked by Alexa M

A: The photo you're referring to is of the Performance Basketweave fabric in Natural and the standard depth option (which you are correct is already fairly deep). The last photograph in the carousel is currently showing the Natural in a close-up shot as well.
