**Excellent Value & Great Size!**

I just received these small deep dish pans. I have other GoldTouch baking pans and they are remarkable! Wouldn't use any other brand. If I was just starting out, every baking pan I own would be GoldTouch. What a terrific size ideal! Kudos to the design team at WS GoldTouch. Great for an individual: pizza, chicken pot pies, quiche, cakes & pies, or anything else that has a crust. Let your imagination run wild.

**Not Goldtouch Quality....**

When I ordered these pans I didn't realize they were made in China. I have most of the pieces in the Goldtouch line (which I LOVE) and these are not the same quality of the pans made in the USA. I will be returning tomorrow. Pass on this item.

**Cons:** Quality, made in china

**No,** I do not recommend this product.

**Not just for pizza!**

I bought these pans after seeing them in the store and they are everything I had hoped. They bake evenly, and clean up is almost effortless. Sticky scalloped potatoes cleaned up with barely a swish of soapy water. These pans are ideal for baking small casseroles or a quiche for two. I had not bought this line before due to the price, but after using this set I've now replaced all my bakeware with this goldtouch line. You will not be disappointed in the quality, just think a bit outside the pizza box.

**Pros:** Durable, Easy to Use, Quality, Easy to Clean, Easy to Store, Size, Versatile

**Yes,** I recommend this product.
