OVERVIEW

Inspired by mid-century modern style, this bed boasts clean lines and a lowered profile that's designed to be closer to the ground so that little ones can get in and out of bed easier. Accented with plush upholstery, this bed is crafted from quality materials to last for years to come. Designed in collaboration with west elm.

HOW IT IS CONSTRUCTED

- Masterfully crafted with a solid hard wood frame and engineered wood.
- All wood is kiln-dried for added strength and lasting beauty.
- Wrapped with high-density foam and deep, thick padding.
- Upholstered in stain-resistant and exceptionally durable basket slub or brushed crossweave fabrics.
- Back of headboard is finished in black non-woven fabric.
- Legs are finished in a rich Espresso color, which is applied by hand in child-safe, water-based paint.

DETAILS THAT MATTER

- Low-profile, slat-roll foundation is designed for use without a box spring.
- Pair with our Classic Plush or Pillowtop Mattresses (sold separately).

KEY PRODUCT POINTS

- Available in twin or full size.
- Rigorously tested to meet or exceed the highest industry safety standards.
- Pthalate-, BPA- and lead-free.
- Spot clean.
- Imported.
