graduate high school n receive my diploma.. At that exact moment I was living at my boy Jim's house, off n on homeless since 16 at this point I was stayin w him n his family ina crib of 8 ppl with only 3 small bedrooms, I slept in Jim's room w his little brother n it was maybe maybe like 10x8 feet with a bunk bed, I slept on the hardwood floor w barely any space n would get stepped on every night when they would use the bathroom lol, w just a blanket under me 4 months in the

middle of winter cold asf. I had a part time job ata grocery store down the road, All I wanted was to save alil cash n get my shit together, I found a 1 bedroom spot in the hood for \$1,350 down(\$450/monthly first/last/security). I was makin \$7.15hr pushin carts, baggin food, takin out trash, stockin shelves everyday. I was jus grateful I had a job n spot to sleep. 🏠🧊

So anyway my teacher showed me a

chart after class 1 day pullin me aside, in the average incomes bracket of education it stated "High School Drop Out" at the top of the list for lowest amount of income \$15,000 per year, she asked "how are you GOING to take care of a family, raise children 1 day, travel the world".. She reaffirmed n tried instilling in my belief if I didn't go on to be a "Super Senior" n get my diploma I wasn't gunna be really successful and make 2 much money in life. "Numbers don't lie" she said

life, "Numbers don't lie" she said "look". Well I dropped out that week, didn't ever get my diploma, didn't ever talk to that teacher again, didn't believe the "truth" she told me, quit my job, I didn't end up gettin the spot or savin up the full \$1.35k. 🍌🎓👎

I usedta pray on how all of the puzzle pieces would eventually come together and how all the hard work would pay off years later.. Well idk if they have vet but this spot @orlandomiller4 and I
