Customer Review

O. J. Lopez

Misleading advertising

February 26, 2019

Verified Purchase

I bought these because it said that they offered 37NRR. But when I received them the box says that the noise reduction is only 26 dB. And there is a small piece of paper inside stating the same. They fit great and are comfortable, but this is not the level of protection I was looking for. I bought these because they were supposed to be superior. Very disappointed.
