Product Description

24bio's Brain Plus formula is a great way to naturally boost your brain efficiency to its maximum potential. Full of the best natural brain stimulants, you will feel an almost instant change in your mood and daily performance

Helps Memory and Focus

If you are realizing that you are having a hard time focusing at school or work, this supplement is exactly what you need to take your brain performance to the next level for focus and memory

Supports Brain Performance

There are certain times during the day when you know you have to be on top of your game. This involves having superior brain performance. Just two pills of 24bio's Brain Plus formula will help you be on top of your thought processing game throughout the day!

Improves Your Mood And Energy

For your brain to function properly, it's really important that you have a good mood and enough energy to go around in your body. Our brain plus formula helps you keep a positive mood and stay energetic throughout the day

USA Made Supplement

Our Brain Plus formula is made in the USA in FDA certified facilities. Nothing but the best for 24bio clients

Ginkgo Biloba

Ginkgo Biloba is a plant, that when consumed is known for improving the blood flow to the brain, which in return improves the basic functions of the brain performance.

Guarana Seed Extract

Guarana Seed Extract is a shrub that contains caffeine, which is a natural stimulant for a human's body. Because of this, it is a great natural brain stimulant that makes your brain think and process information at a quicker pace.

DMAE Bitrate

DMAE Bitrate is a powder form of Dimethylaminoethanol, a chemical that is naturally produced by a human's brain. If your brain isn't able to naturally produce the amount it needs, DMAE Bitrate is a great way to stimulate your brain for better performance.

I have been taking this brands brain supplement for a few weeks. I seem to be more productive, and remember more small details through out the day. At the end of the day have a bit of an energy crash though. On the bright side, I pass out real quick when I get to bed!
