#### About the product

- NATURAL BRAIN BOOSTER – As the world's first 100% all-natural brain enhancer, ASCEN was created to increase blood circulation and deliver key nutrients your brain needs for peak energy, focus, and mental performance. Formulated with 14 scientifically backed nootropic ingredients, it's the best and most effective supplement for achieving laser-sharp concentration, memory, and calm clarity.
- NO FAIRY DUST FILLERS – It's a fact that most brain health supplements on the market use "fairy dust" fillers disguised as a "proprietary blend," which in reality are dull, outdated formulas with skimpy doses, and some even use banned ingredients. ASCENT offers full transparency because it's made of only naturally-sourced ingredients at optimal levels - you get real results – with no fillers or mystery ingredients!
- MINDFUL BENEFITS – ASCENT is formulated to promote BDNF (Brain-Derived Neurotrophic Factor) production, provide neuroprotective benefits, support healthy serotonin and dopamine levels, enhance memory, focus, and attention, improve reaction time, reduce mental fatigue, and improve your overall mood.
- INGREDIENTS TO PAY ATTENTION TO – Carefully chosen ingredients are: Neurofactor whole coffee fruit extract, Coffeeberry organic coffee, oat straw, lions mane extract, Rhodiola rosea, Bacopa monnieri, alpha GPC, L-theanine, uridine, phosphatidylserine, DH-N-acetyl - L-tyrosine, pyridoxal 5 phosphate (vitamin B6), huperzine A. See below to understand the crucial role each one plays in promoting optimal brain health.
- NO EMPTY PROMISES - If you don't enjoy long and sustainable energy all day without a crash, feel laser focused and driven with every pill to the very last, and if ASCENT doesn't significantly enhance your mental state in the next year, then we will offer you a full refund – no questions asked.

**Got rid of my mental fog!**

May 30, 2019

**Verified Purchase**

This product is amazing especially with the shake! This is the second time I've bought them and it's made a huge difference in my recovery and overall energy. Even my cognitive function seems to be improving after having felt like I was in a fog for a while. I'd recommend it to anyone having tried most of the different brands on the market.

I am completely blown away with how well this product has worked for me. I can say that there is a massive and very noticeable difference not only in my ability to focus; but my ability to retain information, think critically, as well as my motivation to start and complete tasks. I am so grateful for this product. Highly recommended!

**This product has the best ingredient list out of any nootropic I've tried**

May 28, 2019

**Verified Purchase** [Early Reviewer Rewards](#) (What's this?)

I have tried my fair share of nootropics and brain enhancers , some with more luck then others however after 2 weeks of using Ascent, i can honestly say that this is where this product outshines the rest. I have never felt this amount of focus and clarity and overall well being without any jitters or crash. For reference Ive tried Genius Joy, AlphaBrain , Neuro-Peak and a few others and none of onsets felt as natural as this thing. Its the best nootropic I've tried to date. Give it a shot.
